

Minutes of bi-lateral meeting between TEA/Urban Volt

Present:

Donal Deering	TEA
Alan Duggan (Technical)	Urban Volt
Brian Morgan (Financial)	Urban Volt
Date	25 th January

Urban Volt are a new members of our SPIN group.

It is one the main LED lighting upgraders in Ireland with successful EPC projects.

It also intends to expand into technology areas such battery storage (night) and PV.

Funding for projects comes from utilities and financial institutions.

Concentrating on private industry – the public service is too difficult at present.

Will be there 14th March

Donal Deering

Cofunded by European Union
